WOODY OVERSTORY SAMPLING FORM

ILLINOIS NATURAL AREAS INVENTORY

Page _____ of _____

Site Name: _____

Natural Community Type: _____

County Name: _____ Acres____

Senior Surveyor:

Date of Survey: *(mm/dd/yyyy)*

INAI#: GRADE: *(Data Entry Only)*

Transect #, Point Type	WT-Species	WT-DBH(cm)	WT-AZ(o)	WT-Dist(m)

Other Notes:

Mark each transect start and midpoint with a line at the Quardrat # and label with transect number & azimuth. Start a new transect # for any gaps along the line. Start a new form for any new polygon.

Record DBH of woody species (nearest 0.1 cm) that have a DBH >= 10cm within a Plot radius of 8.92 meters

Mark / Label Transects Here -->
